FOR IMMEDIATE RELEASE

GreenFolders® Now Integrates with eRecording Partners Network

MURRAY, Utah, October 21, 2014 – GreenFolders®, a leading, paperless office management solution provider to the title and settlement services industry, announced today the integration of GreenFolders with [eRecording Partners Network \(ePN\)](#), a national eRecording service provider.

The new integration allows users of GreenFolders to electronically submit settlement documents for recording from within the GreenFolders application. Recording information and documents can also be sent back to GreenFolders, improving reporting and data management capabilities.

“Our commitment at GreenFolders is to offer solutions that provide increased efficiency and the ability to implement best practices successfully,” said Larry Davidson, president, First American Professional Real Estate Services, Inc.

“We are pleased to offer this advanced eRecording integration to the GreenFolders client base in an effort to help improve the workflow for agents,” said Jerry Lewallen, president, ePN.

More information on GreenFolders can be found by visiting www.greenfolders.com. For additional information on this featured integration, contact sales@erecordingpartners.net or call 888-325-3365.

About GreenFolders

GreenFolders provides innovative electronic office management software solutions that help businesses reach their potential by becoming more efficient, using less paper and collaborating more effectively. GreenFolders is a division of First American Professional Real Estate Services, Inc.
